## NZIBS Core Module Training Course Registration Form 2026

### Terms and Conditions

#### **NZIBS Diploma in Building Surveying – NZIBS Core Module Training Programme 2025 terms and conditions.**

The fees shown on the registration form are exclusive of GST. The registration cost covers the course, pre-course reading, trainer, exam marking and moderation fee, morning / afternoon tea, lunch and a completion certificate.

Submission of the NZIBS Core Module training registration form 2025 to the Operation Officer confirms your attendance. Should you wish to cancel and not incur any cancellation fees, you will need to provide in writing your cancellation request **7 days** before the training course. Payment is required **10 days** before the commencement of the module.

For a NZIBS Core Module Course to run we require a minimum of 10 and a maximum of 20 participants. Notice will be given two weeks prior to the course date should the course be cancelled due to low attendance numbers. We recommend that if you are travelling from out of the regions, that you book **refundable** travel arrangements. NZIBS **cannot** be held liable for travel expenses due to unforeseen circumstances.

Should you wish to register for any Core Module training course 14 days or less before the course date, confirmation in writing acknowledging that you are aware the pre-course reading has already been issued and that you confirm that you will not be disadvantaged by receiving this information late. We are unable to register or provide pre-course reading to anyone 5 working days before a training course.

**Please note**, the Core Module training pre-course reading is extensive, and it will help you prepare for your examination at the end of the course day. Therefore, you will need to allow yourself time to read and study this material before attending the course. You will be expected to sign a confidentiality agreement which states you have read the prescribed pre-course reading and will not divulge confidential/sensitive nature matters discussed during the module to non-attendees.

No refund will be given for any cancellation received 7 days or less before the course date, or for no show/ sickness on the course day.

Cancellation policy: \$325.00 + GST per day will apply. A substitute can be provided in place of the person who is unable to attend.

No refund or discounts are offered if the participant chooses to attend the course and not undertake the examination.

Any request for course information previously provided will incur an administrative charge of \$25.00 + GST. Examination resits will incur a charge of \$255 plus GST. Should you wish to re-attend the course, you will be eligible to a 50% discount. **Please note**, a supplementary fee will be charged for resits for Core Module 6 On-site examination.

Examination resits **must** be taken within **18 months** of attending the Core Module training course, a maximum of two resits are allowed. If you fail the examination resits or are unable to resit the examination within this timeframe, you will need to complete the module course again, at a 50% discounted rate.

Please refer to examination guidance for exam resits for module 6 as this is a two-part course involving a site visit.

The pass mark is **70%** for a NZIBS Core Module examination. For those who are unsuccessful in the NZIBS module exam and have achieved a mark below 55%, your exam mark will be referred to the NZIBS Training committee who will determine whether you can undertake an exam resit or you will need to complete the course again charged at a 50% discounted rate.

The Diploma in Building Surveying is only available to those students who attend **all** Core Module Training courses and have passed all Modules 1 – 14 exams from 2015 onwards. If you completed and passed an exam prior to 2015, you will need to attend the course and undertake the examination again. Since February 2015, NZIBS Core Module training programme has undertaken an extensive review which in turn has changed most training courses and how the examinations are conducted.

Should you wish to apply for your Diploma in Building Surveying, you must ensure that you have met **all criteria including the notational learning requirement**.

Please note, the application can take up to 6 – 8 weeks to be finalised. The Diploma application is **complimentary**, an electronic copy will be emailed to you, hard copies are presented at the annual NZIBS Conference held in September. However, should you wish to apply for the individual certificates then an application fee will apply.

Should you wish to receive a hard copy of any of your Diploma/Certificates, please contact us. Please note, additional charges will apply.
