**CALLING FOR NOMINATIONS FOR THE NZIBS EXCELLENCE IN
BUILDING SURVEYING -
BAKER TILLY STAPLES RODWAY AWARD**

NZIBS Excellence in Building Surveying 2020

The annual NZIBS Awards recognise the importance of those who participate in, and support, our strategy and purpose to grow excellence within the building surveying profession throughout New Zealand. The NZIBS Excellence Award is the New Zealand quality award that recognises a NZIBS Registered Member with excellence and sustainable results across all areas of the Building Surveying profession. The NZIBS Excellence Award recognises an individual practitioner within NZIBS who has demonstrated a high standard of professionalism, sharing the Institute's vision through creativity, connections and innovation. Judging Panel: Baker Tilly Staples Rodway representation, 1 NZIBS executive member, 1 experienced non-executive NZIBS member.

ELIGIBILITY

To be eligible for the NZIBS Excellence in Building Surveying awards the nominee must:

- be a current NZIBS Registered Member, who has been registered for more than three (3) years and is based in New Zealand

CRITERIA

Considering the roles and responsibilities within the building surveying profession, the nominee must have:

- Contributed to overall successful project outcomes, or
- Contributed significantly to the building surveying profession through excellence in any of the disciplines, or
- Significantly furthered the knowledge of the profession, or
- Significantly served the profession, including through innovation, or
- Enhanced the reputation and standing of the profession, or

- Shown leadership and influence that have strengthened professional capability and created a change in conditions, leading to improved and sustained outcomes
- Demonstrated best practice in consultation, and risk identification and mitigation, and
- Not pose a risk to the credibility or integrity of the Awards. Entries will not be accepted relating to an individual that is not an NZIBS Current Registered Member, whom has been registered for less than 3 years.

NOMINATION

Nominations can be made in confidence, i.e. without the nominee's knowledge, or with disclosure. Nominations can be received from any individual who has detailed knowledge of the work carried out by the nominee, including, but not limited to:

- Building Surveyors
- Construction Lawyers
- Project Managers
- Building Owners
- Building Managers

Nominations cannot be received from the nominee (no self-nomination is allowed). Nominations must be accompanied by sufficient information for the judging panel to determine whether the nomination meets the criteria. This must include at least the following:

- The name of the candidate nominated for the award,
- The basis of the nomination, i.e. which criteria is satisfied,
- A summary of the project or contribution and the nominee's involvement,
- The outcome of the project or contribution and how the nominee contributed to its success
- A description of the nominators involvement with the project or contribution.

Further information may be sought by the judging panel as required.

JUDGING PROCESS

Stage 1: Entries open for this award on Friday 1 June 2018. All entries received by the closing date will be processed to make sure they meet the eligibility criteria. **Closing date: Thursday 20 August 2020.**

Stage 2: An independent judging panel will be provided by **Baker Tilly Staples Rodway and NZIBS** to review the entries to identify the extent to which each nomination satisfies the criteria listed above.

Stage 3: Up to three finalists will be identified in this category from the accepted entries. The finalists will be notified of their nomination and shortlisting and given the opportunity to opt out of the process if they wish.

Stage 4: The judging panel will contact the nominator(s) and, if required, the finalists, to seek further information in relation to the evidence provided in the entry, if required. The nomination information and any additional information gathered will be considered by the judging panel.

Stage 5: The panel will decide the NZIBS Excellence in Building Surveying winner – Supreme Award 2020.

TERMS AND CONDITIONS

All NZIBS Current members can nominate a current NZIBS Registered Member, who has been registered for more than three (3) years. Evidence is a key part of an Awards entry. Make sure the evidence you present relates to the criteria above. The experts and judges will be looking for insights to how the individual links to the above points and outcomes. **Please provide evidence by giving an overview of up to 500 words and or attach a file.**

All entries will be held in confidence.
